

# BECOME A SPONSOR OF ROGERS FINE ARTS!

We have so much to be grateful for in our neighborhood, and businesses like yours are what make our community so great. Friends of Rogers (FOR), a not-for-profit organization operating for the benefit of the students of Rogers Elementary, are seeking sponsorships from businesses that serve the members of our community.

Your contribution not only supports the growth of our school and the success of our students, but it also sends an important message that you are invested in the prosperity of the community.

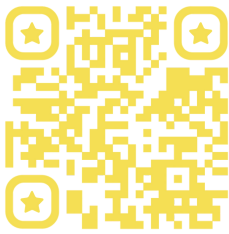

All sponsors receive a vinyl window cling to display at your place of business advertising your support.

**Please consider a sponsorship\* at one of the following levels:**
